SACRED HEART HIGH SCHOOL
1075 Ellis Street, San Francisco, California 94109
1874 — CENTENNIAL YEAR — 1974

Graduation, 1975

Dear Seniors,

The Class of 1975 is indeed the first class of a new age and a new era for Sacred Heart. Your senior year marked the start of a second century of operation for Sacred Heart, and you are the 101st graduating class.

In addition, your senior year has witnessed the start of plans for a new and modern Sacred Heart High School to be situated right here on Cathedral Hill in mid-town San Francisco.

This is a commitment on the part of the Archbishop, and on the part of the Christian Brothers, to continue the excellent traditions of Sacred Heart for future generations of San Franciscans on the same site at which you, the Class of 1975, received your high school education.

As you leave Sacred Heart this year and step into your own new era, it is our hope that you will carry with you the spirit and traditions of your Alma Mater, wherever your future takes you, and that you will always be Christian gentlemen.

We hope, too, that you will maintain an on-going interest in Sacred Heart's new era. Soon there will be new construction and new facilities on this site, but in order to reflect the excellent spirit and traditions that have been Sacred Heart for the past 101 years, we must be able to count on our students, on our faculty, and on the continued interest of the thousands of men who have been educated here at Sacred Heart High School --- our Alumni.

Hence, as you move ahead into your future as Alumni, don't forget to glance back at Sacred Heart from time to time. Remember, you will always be a part of it, as it will always be a part of you in the years ahead.

My personal best wishes to a group of young men I've enjoyed working with over the past four years and, on behalf of all the Brothers and staff, God bless each of you and good luck!

Sincerely yours,

Brother Arnold

Sacred Heart has been located at Ellis and Franklin Streets for the past sixty-five years. Unfortunately, the school is in need of many new educational facilities, and the facilities that it does have are very run down. A new school is a necessity and preparations for one have already been started.

The new school will have the many facilities needed for a modern campus. A theater, science center, language lab, practice field, and even a 200 car garage are just a few of the additions that will be built.

Although the old school building is to be demolsihed, we can be sure of one thing--that the spirit and pride of the students will reamin for many years to come.

SALUTES THE IRISH

Long live the
Class of 1975

Good luck to the Seniors
from the Sophomore Class

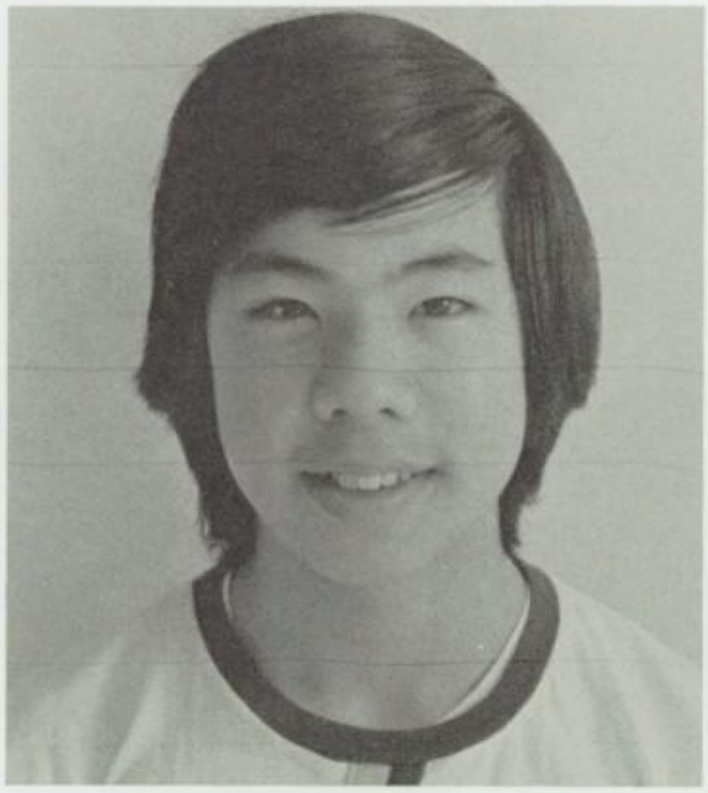
It is our hope that we, the leaders of the freshman class, can help to maintain the unity and spirit of the Class of 1978 both during and long after our four years here at Sacred Heart.

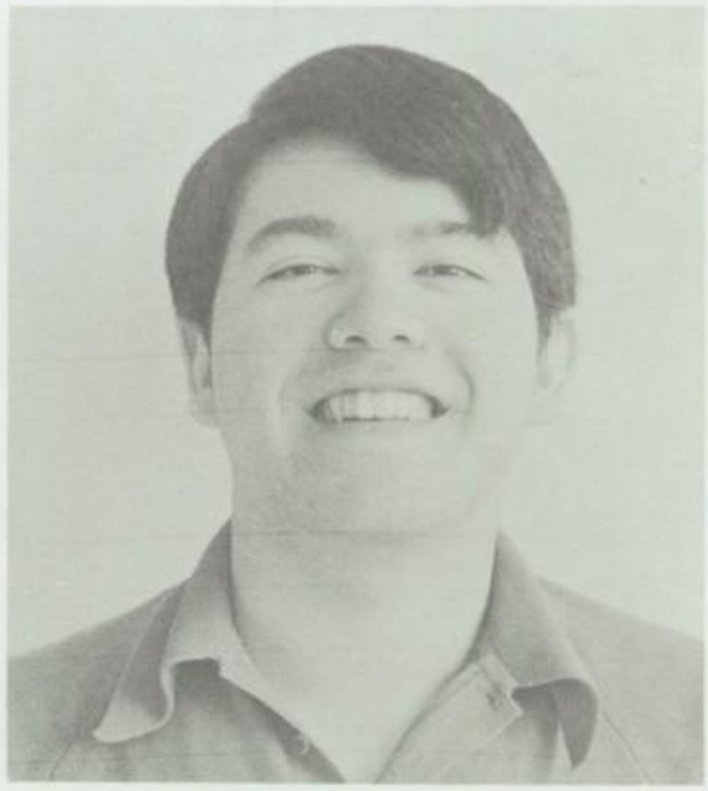
The yearbook staff congratulates all the students of Sacred Heart on another fine year.

The Fathers' Club gives the students of Sacred Heart a well-deserved round of applause.

Good Luck to the
Fighting Irish in 1976

The Mothers' Guild





Thanks to Andrew Chan and Charles Melbourne for their help in the photo lab.

Mike: Reminder to cover first period thursday.

The students are not apt to physically or mentally or mataphysically adopt their ids to a new surrounding. Your entrance into the classroom will blow their gastronomical enviornment. The students are not yet capable of being aware of their awareness of being. So as Fraud would say in a this particual oppulent mess; please give them a study period or let them watch captain kangaroo.

Thank You, EH

"Don't worry. We're normal, Hee-hee."

"Oh, pretty please, would ya, huh?"

"You know where you can put it?"

The Beginning

(And if you believe that,

I guess you'll believe anything.)
